1. QuickSearch
Look in the expansive Mayfield Library collections for books, articles, eBooks, news stories, videos and everything else available that matches your search. Think of it as a one-stop shop to access all the resources on a subject. Use the search box on the Library's home page.

2. Search Online Resources
Search online for a specific item or specific type of resource, such as books or databases. Click on Find Books to access books and eBooks. Click on Find Articles to access the databases.

3. Ask a Librarian
Need some help? Chat online, text or speak in person with a librarian about any stage of your research. Go to: www.nscc.edu/library. Click on Get Help or text us at 615-640-0006.

4. Interlibrary Loan
Need materials the Mayfield Library doesn’t have? Use Interlibrary Loan to request materials from other libraries. Select Interlibrary Loan from the Library Services menu.

5. Films and Videos
Search for films and videos (academic and entertainment) in the Mayfield Library catalog, or access our streaming videos from anywhere. Go to nscc.libguides.com/films for streaming videos.

6. Off Campus Access
Not at the NSCC Main Campus? Not a problem. There are thousands of resources available to you from home, work or anywhere you have a Wi-Fi connection. All library resources can be accessed with your active "A" number and your MyNSCC password.

7. TALC Cards
As an NSCC student, you’re entitled to borrow materials from other public college and community college libraries. All you need is a TALC card. For more information, click on the Find Books tab at nscc.libguides.com/offcampus.

8. Workshops
The Mayfield Library offers a variety of online workshops. Brush up on topics like Microsoft Word, PowerPoint, MLA and Quoting and Paraphrasing. Go to: nscc.libguides.com/Online workshops

9. Citing Sources
Many databases have a “cite” button which shows the most common citation styles for a source, like APA or MLA. Research Guides and online workshops are also available to assist you. Find them in the Research Guides under Style Guides. nscc.libguides.com/homepage.

10. Research Guides
Click on Find Research Guides from the Library home page to access hundreds of helpful guides and video tutorials designed to assist you with everything library related, from researching an argument to finding a career. Guides also help with specific courses and assignments, like SOC1010 or ENGL2010.
